“ *My deepest sympathy to your whole family on the loss of Yvonne. I will remember her as the kindest, most caring woman, whose beauty and grace both inside and outside always shone brightly. We were friends for many years in the Siberian Husky Club. Her Sally is a littermate to my Sibe and she shared what a comfort it was to have her. Wishing you peace and comfort in the sharing of what must be many wonderful memories.*

“ Yvonne was one of the sweetest, caring friends we have ever had. We called her the walking encyclopedia of Siberian Husky Pedigrees. Her passion for the breed lead to hours of research and conversations with fellow enthusiasts. Her beautiful smile and kind words will be greatly missed. Sandra & Annalise Reitsma & Sally Forth.
