“ I worked with Yvonne and she was always kind to me. She was a neighbor of my best friend and it was a delight to visit her in her later years, her sense of humor was always at the forefront.

“ Yvonne was a good neighbor and friend. She and my mom were best of friends for nearly 60 years. In their retirement years they both did what seniors do best: go shopping! I will miss you, Yvonne, and all the little dilemmas with your laptop computer.
